Mr. James O'Toole
96 Church Street
New York City

Dear Sir:

Under separate cover, I am sending you two sets of maps for mounting on a linen back in the same manner as that you used for mounting the American Geographical Society's maps.

The American Geographical Society has referred me to you and informed me that your charge is 10¢ per square foot. I should be glad to have the maps mounted under that arrangement and returned as promptly as may be.

Yours truly,

Secretary
